FROM RESOURCES TO REAL-LIFE LEARNING

PILOT TESTING THE DEVELOPED RESOURCES

Putting project resources into practice with adult learners and educators.

WHAT IS BEING TESTED?

XXIAdults Training Guide
A practical guide for adult educators

Implementation Plan
Strategies for adapting adult education

30 Good Practices
Ideas and approaches from six countries

Online Learning Platform
Modules, learning materials and resources

HOW DOES THE PILOT WORK?

1

EXPLORE
Get familiar with the guide and platform

2

PUT INTO PRACTICE
Try activities inspired by good practices

3

REFLECT
Share experiences and observations

4

GIVE FEEDBACK
Complete evaluation and suggest improvements

WHAT DO WE WANT TO LEARN?

- Are the resources clear and easy to use?
- Do they support practical, inclusive adult learning?
- How can they be improved for real learning needs?

THE VALUE OF PILOT TESTING

TEST → LEARN → EVALUATE → IMPROVE

Feedback helps validate the resources and make them more useful, accessible and relevant to adult learners.
